2017 - 2021

Daffodil International University, Dhaka

B.Sc in Computer Science and Engineering

CGPA: 3.39

2013 - 2017

Badiul Alam Science and Technology Institute,  
Brahmanbaria

Diploma in Computer Engineering

CGPA: 2.91

2011 - 2013

Metongher B.R.I.M High School, Comilla

SSC (Science)

GPA: 3.68

## WORK EXPERIENCE

Oct-2022 - present

**WebAble Digital**

Software Engineer

Led the design and development of highly efficient and reusable React components for various web applications.

Implemented modern JavaScript standards and best practices to enhance code maintainability and reduce redundancy.

Collaborated with UI/UX design teams to convert design mockups into interactive, responsive web components. Improved overall project efficiency and user experience through the development of optimized front-end solutions.

Jan-2022 - SEP-2022

**Reserveit BD**

Frontend Developer

Designed and developed reusable React components to streamline the development process.

Worked closely with backend developers to integrate frontend interfaces with backend services.

Conducted code reviews and provided feedback to ensure code quality and adherence to best practices.

Oct-2021 - Dec2021

**Reserveit BD**

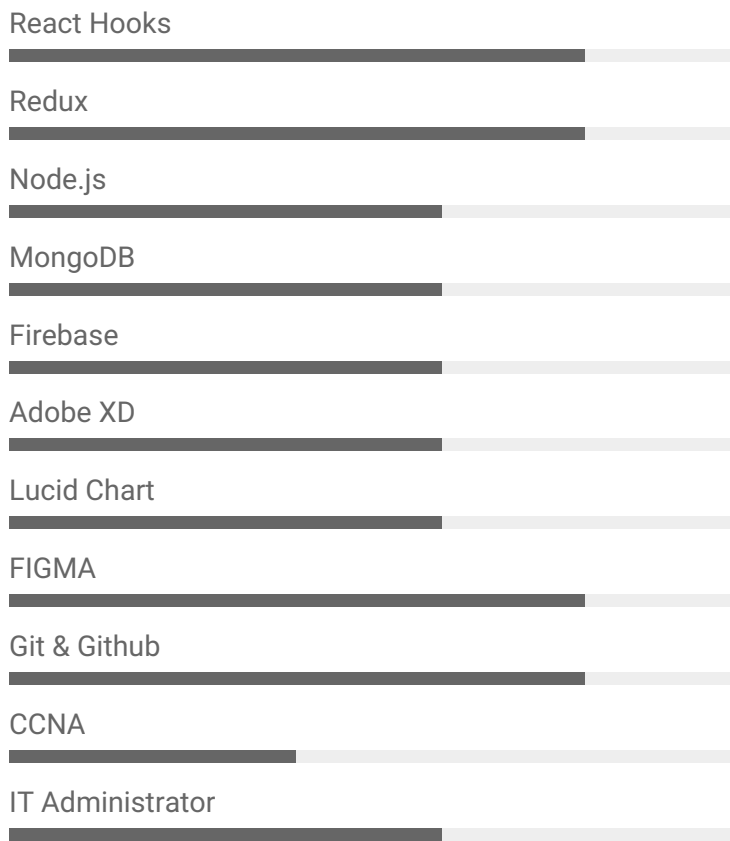

Frontend Developer

Intern

Assisted in the development of frontend components using React and JavaScript.

Participated in daily stand-up meetings and collaborated with team members on various projects.

Gained hands-on experience in frontend development and best practices.
